## Sports

With a Heavy-hitting First Baseman in Clean-up Position, the Brave Warriors Brought Home Victories in the School's Favorite Sport, Tying for First Place in the O.A.L.

## Basketball

Tabbed by local newspapers as pre-season favorites to cop the O. A. L. hoop crown, Coach T. W. MacFadden's basketball team disappointingly ended the season tied for fourth place.

The first game of the season found the warriors rated as high favorites to demolish the Fremont Tigers, but the Indians tasted their first defeat of the season by the underated Bengal team, 30 to 40.

The second contest saw the Mackmen fighting hard to trounce Roosevelt, the favorites, 41 to 28. This tilt featured Joe Najera, scoring 16 points.

Their second consecutive win of the season was scored over the already low San Leandro Pirates, 39 to 24.

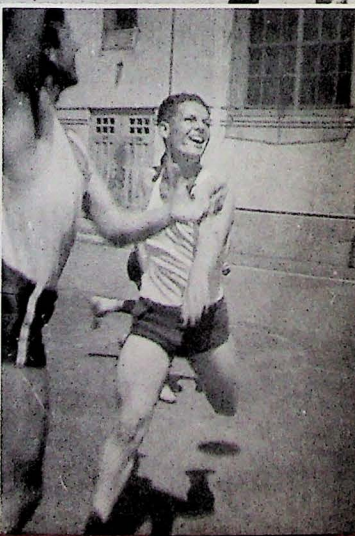

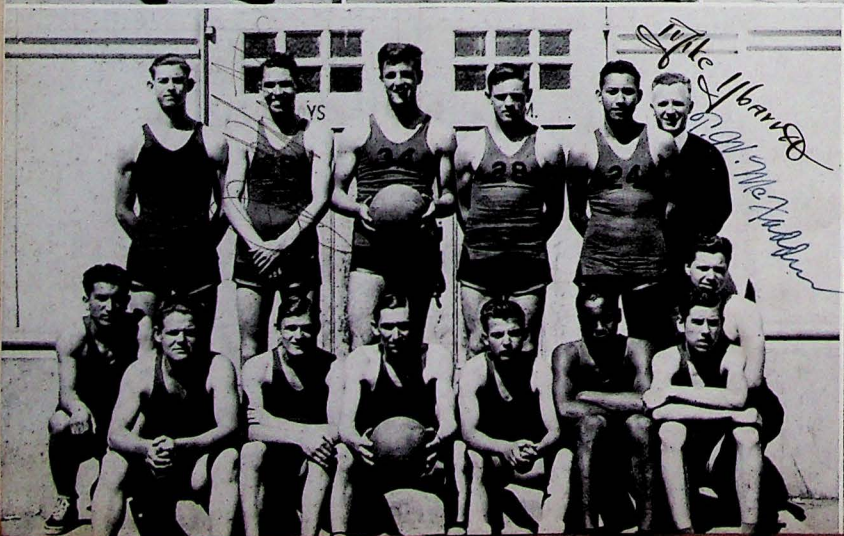

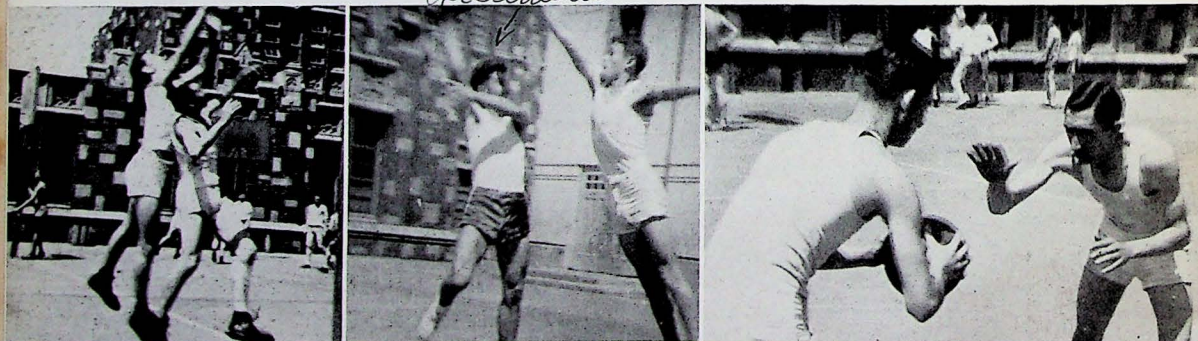

Castlemont came to the Filbert Street gym for the fourth contest and handed the Warriors a 51 to 17 shellaking, in which Sig Jacobsen, Castlemont star, set a record for individual scoring by potting 30 points.

In the fifth game University traveled to the Mack home court, only to be dumped 37 to 33. This game featured Harold Niendorf sparking the Warriors by scoring 14 points.

Featuring Jim Pollard, Technical ace, the Bulldogs walked all over the Mackmen in their traditional game, 51 to 26, in which Pollard broke Nick Rago's record of 92 points by scoring 29 points.

The last game of the season saw the Warriors traveling to Oakland High and defeating the Wildcats, 36 to 31. Paul Napolitano proved his ability in handling the ball by topping the scoring for the day with 16 digits.

## Baseball

Led by Captain Louie Verarde's excellent fielding and heavy hitting, the McClymonds baseball team ended the season tied for first place with Technical, Roosevelt and San Leandro.

The Mackmen got off to a flying start when they defeated Fremont 4 to 1. Bill Wight, Warrior southpaw, had to be relieved by Joe "Kiki" Gomez in the third frame. For the next four innings Gomez allowed no runs and fanned nine.

In the second game the Warriors met Roosevelt High, potential favorites to run away with the league. Roosevelt took advantage of Mack errors and won 9 to 4.

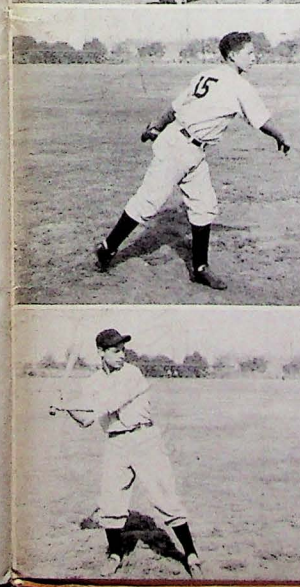

Tasting their second defeat of the season, the McClymonds nine bowed to San Leandro at Bayview by a 7 to 5 score.

Rounding back into form, Wight was sent to the mound for the Warriors and allowed Castlemont only 2 hits to win 3 to 0 at the Castlemont diamond.

Traveling to Bushrod field, the Mack team beat University 3 to 2. John Crvarich, the Warriors' heavy-hitting first baseman, shook off his slump and got two blows.

Tech then came to Bayview for a victory that was to cinch the flag for them, but when the game ended McClymonds stood on top. Tech used four pitchers trying to still the Mack bats, but the Mackmen collected 16 hits and 16 runs, while Bill Wight held Tech to 8 hits and 4 runs. Hitting stars of this game were Crvarich and Dale Bianchini, each getting a home run.

The last game found the Warriors beating Oakland by 6 to 0.

## Girls' Sports

A new sport has been added to the girls' physical education department. This sport is horse-shoes, which is on the minor sport list. Girls have shown a great interest and the possibility is that it may become one of the outstanding sports. Shown in action are Constadina Dades, Margaret Munoz, Rose Parento, Helen Georgantes and Elsie Rodriguez.

Into the spotlight came another game, called badminton—a new sport of batting the birdie across the net. Tournaments of singles and doubles were played. Arranging the net are Lorraine Andreucetti, Lorraine Celia, Frances Solinas and Evelyn Miller, while Mary Taylor and Martha Nomura are waiting anxiously to start a game.

Soft-ball was the featured sport this year. It rated as a major sport. Every grade was represented in the girls' intramural league. Pictured playing in a game are Aurora Avila, Enedina Avila, Bernice Carter, Helene Seligman, Julia Stragmalia and Mary Ann Tumpich.

Journeying to the football field at old McClymonds, future girl Robin Hoods practiced the ancient art of archery. Four of the outstanding players seen aiming are Grace Wilcox, Phyllis Davis, Susie Vartanian and Monica Acton.

On the field at this school grounds, girls employed their skill in the game of hit-pin baseball. This sport figured as only a minor game. Pictured are Doris Lava, Katherine Petris, Mary Maglaris, and Geraldine Truehill.
